PROMPT 01

Soft-start morning routine

"I have ADHD and I just woke up. Help me create a simple 3-step morning routine that takes under 20 minutes and gets me ready to focus."

PROMPT 02

Brain-dump template

"Write me a 5-minute morning brain dump template I can use to clear my head before starting work."

PROMPT 03

Recovery from a late start

"I woke up late and feel behind. Help me do a quick reset so I can salvage the rest of my day without spiraling."

PROMPT 04

Launch sequence ritual

"Help me write a 'launch sequence' — a personal ritual that signals to my brain it's time to work."

PROMPT 05

Minimum viable morning

"Create a 'minimum viable morning' routine — the bare minimum I need to do to have a productive day."
